ORDER

THIS MATTER is before the Court on the parties' cross Motions for Summary Judgment [Docs. 21 and 26], and the Magistrate Judge's Memorandum and Recommendation [Doc. 29] regarding the disposition of those motions.

Pursuant to 28 U.S.C. § 636(b) and a specific Order of referral of the district court, the Honorable Dennis L. Howell, United States Magistrate Judge, was designated to consider these pending motions in the above-captioned action and to submit to this Court a recommendation for the disposition of these motions.

On January 28, 2011, the Magistrate Judge filed a Memorandum and Recommendation [Doc. 29] in this case containing proposed conclusions of law in support of a recommendation regarding the motions [Docs. 21 and

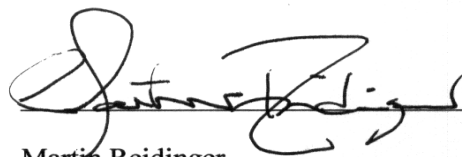

26]. The parties were advised that any objections to the Magistrate Judge's Memorandum and Recommendation were to be filed in writing within fourteen (14) days of service. Plaintiff made a timely motion for a seven day extension, which was granted. [Doc. 30, text order]. The extended period within which to file objections has expired, and no written objections to the Memorandum and Recommendation have been filed.¹

After a careful review of the Magistrate Judge's Recommendation [Doc. 29], the Court finds that the proposed conclusions of law are consistent with current case law. Accordingly, the Court hereby **ACCEPTS** the Magistrate Judge's Recommendation that the Defendant's Motion for Summary Judgment be allowed and that the Plaintiff's Motions for Summary Judgment and to Receive New and Material Evidence be denied.

IT IS, THEREFORE, ORDERED that the Defendant's Motion for Summary Judgment [Doc. 21] is **ALLOWED**, and that the Plaintiff's Motion for Summary Judgment [Doc. 26] is hereby **DENIED**.

IT IS SO ORDERED.

Signed: March 5, 2011

Martin Reidinger
United States District Judge

¹Plaintiff has similarly failed to comply with the deadlines set by the Court throughout this case. [Docs. 5, 8, 17, 19, 23, 24].
